eBook ISBN 9798987980712

Genre: coming of age; realistic fiction;
fictionalized memoir/self-help in GN format

Book Description (84 words):

When high school senior, Sam's best friend dies unexpectedly after two months in the hospital, how does Sam deal with their grief?

Death can be sad and scary, and we are not alone.

Based on a true story, this high-low graphic novel, written with few words, helps readers process their grief and start difficult conversations so they may be comforted and heal. Simple, visual, and interactive, it is accessible to people of all ages and abilities--because we all grieve, and we all deserve support.

About me:

- I hate to read. I'm super slow at it, but I love stories and picture books or quick reads.
- This is my first book. I self-published it following a successful Kickstarter.
- I love nature, skiing, mountain biking, Mt. Rainier, France, and the moon.
